

Interested in learning more about

DIGITAL CAMERA TECHNOLOGY

Are you considering, or do you want a better understanding of your Digital Camera? In a simple no nonsense way, learn more about,

- ❑ **Technical Feature's**
- ❑ **Memory Card's**
- ❑ **Connections to Computer's**
- ❑ **Software Issues**
- ❑ **Battery Issues**
- ❑ **Voice and video options**

Or just ask about something you want to know about.

Class is a single 2-hour session taught by Bob Brubaker

PREREQUISITE: NONE (feel free to repeat class)
