

# Interested in learning

**Do you have a Digital Camera or do you scan photos? Would you like to learn more about processing, arranging displaying and storing digital images? If so this class may be for you**

**We'll teach you how to**

- ❑ **Move photos from your camera to the computer**
- ❑ **Brighten, darken, rotate and crop photos**
- ❑ **Merge multiple photos into a single panoramic display**
- ❑ **Discuss ways to display photos**
- ❑ **Discuss ways to share photos**

**And a more – [ well maybe ]**

**Duration - Two 2-hour sessions over a 2-week period**

**Instructor - Bob Brubaker**

**PREREQUISITE: Basic Knowledge of Windows**

**Feel free to repeat course as often as necessary**

**If you are interested, sign-up on the sheet below.**
